- Other upholstery options are: a soft quilted version with added wadding in a large selection of fabrics and leathers or a soft duo version in selected fabric and leather combinations on front and back
- Suitable for a wide variety of private and public environments
- Qualified for contract use

AAL 82 DESIGN BY HEE WELLING & HAY

The About A Lounge Chair has a compact body with shaped armrests combined with round wooden legs. In line with the rest of the series, the sculpted design has been kept simple, with nothing left to chance. It is available in a low-backed version with a more intimate expression or a high-backed version with an open, spacious composition. The wide choice of cushions, legs and upholsteries mean you can configure unique combinations that fit a variety of public and private contexts.

MATERIALS

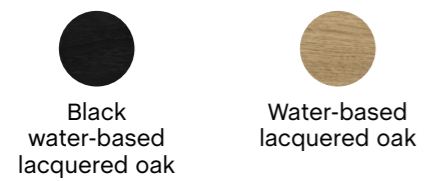

SHELL
Soft molded polyurethane foam with armrest

BASE
4 solid wooden legs

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product.

CERTIFICATES & TESTS

FSC™ LABEL MIX
Made from FSC™-certified wood and other controlled materials.

INDOOR ADVANTAGE™ GOLD
Supports a healthy indoor environment.

BIOMASS FOAM
100% of the fossil-based raw materials required for manufacturing of this product are replaced by sustainably certified biomass.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
